Father:Calvince Omondi ID:25969663: 0721772466

Mother: Frida Awino

Location:Konuonga Location

Sub-location: Konuonga kotieno

Village: Kochola

#### Case History

The subject named above is a biological child to Mr. Calvince Omondi. The father brought the child to the children's office claiming he is traunt and has caused more problem at home. He said the child always ran away from home and sleeps on the street. He has refused to go to school and the teachers have also complained on his

character. The father said he steals from the family money. Recently he stole 3800/= from the uncle in Oyugis town and ran away. The father said the subject ran to Migori County in Awendo sub-county to stay with the biological mother for sometimes and again he ran away and was rescued in Rongo Town and Rodi subsequently.

The subject said he stole a byscle in Rongo University after he hired it for a ride. He escaped with the byscle to Oyugis and the father traced the owner back in Rongo.

We managed to talk to the subject ~~to~~ who looks innocent but the character is alarming. The child is not remorseful.

The father fear his child being lynched by the mob if he continue with the same character. He is requesting the government to help him tame his character.

#### Recommendation

Your honor it's our prayer before this your honorable court that the subject be remanded in Manga Children's remand for two weeks as we seek better placement in a rehabilitation school as per section 150(2)(c) of the Children Act 2022. This will be towards the best interest of the child.
